PUBLISHERS' NOTICE.

North Carolina is a large State and sparsely inhabited.

In the Directory we have endeavored to locate the Business Men and Public Institutions, and thus facilitate communication. By the aid of this book, any particular class of men, or all the leading Business Men of the State, may be addressed with certainty and dispatch. In this way we hope to concentrate the minds of the people and obviate some of the inconveniences of a scattering population.

The First Edition, though not by any means so extensive as we desired, was received with much favor.

This Edition is much larger, representing the Counties alphabetically, from Alamance to Yancey, Eighty-nine in all.

The Names are classified under each County, so as to make the reference convenient and easy.

The running heads at the tops of the pages will be found of great convenience.

Any omissions or mistakes, as to initials or spelling names, will be cheerfully corrected in the next Edition.

Many Statistics will be found in this work, never before attempted in this State.

We call especial attention to the Colleges, Mines and Manufactories. The names of Churches and Pastors, also, will be of much interest to Ministers of the different Denominations.

The Map on the second page locates the Mineral resources of the State, and is worthy of careful attention.

Our Agents will accept special compliments for services rendered.

We also acknowledge the kindness of a number of gentlemen, in Official positions, who have aided us in our very tedious and laborious work.

BRANSON & JONES.

THE OLD NORTH STATE FOR EVER.

Carolina! Carolina! Heaven's blessings attend her!
While we live, we will cherish, protect and defend her;
Tho gh the scorner may sneer at, and witlings defame her,
Our hearts swell with gladness, whenever we name her.
Hurrah! Hurrah! the old North State for ever!
Hurrah! Hurrah! the good old North State!

Though she envies not others their merited glory,
Say, whose name stands the foremost in Liberty's story!
Though too true to herself, e'er to crouch to oppression,
Who can yield to just rule a more loyal submission?
Hurrah, &c.

Plain and artless her sons, but whose doors open faster,
At the knock of the stranger, or the tale of disaster?
How like to the rudeness of their dear native mountains,
With rich ore in their bosoms, and life in their fountains.
Hurrah, &c.

And her daughters, the Queens of the forest resembling,
So graceful, so constant, yet to gentlest breath trembling,
And true lightwood at heart, let the match be applied them,
How they kindle and flame? Oh, none know but who've tried them.
Hurrah, &c.

Then let all who love us, love the land that we live in,
(As happy a region as on this side of Heaven,)
Where Plenty and Freedom, Love and Peace smile before us,
Raise aloud, raise together, the heart thrilling chorus!
Hurrah! Hurrah! the old North State forever!
Hurrah! Hurrah! the good old North State!

We hereby certify that the *Rosadalis* is prepared by a *Physician*, who is an *experienced* Pharmaceutist and Chemist, and that his remedy is an *efficient* and *valuable* one in *Scrofula*, Syphilis, &c., it having performed some *remarkable cures* in this vicinity

Wilson, N. C. May 10th, 1866.

Edgecombe County, N. C. May 2, 1867.

Dr. J. J. Lawrence,—Dear Sir : Please send me immediately per Express, to Tarboro,' two dozen more bottles of your Rosadalis. I have carefully examined *its Formula* and have used it in my practice in a number of cases. I am well pleased with it. *I think it, beyond doubt, the best Alterative I ever used.* I have tried it in several aases of Scrofula, and Scrofulous affections, &c., *with much satisfaction to myself and patients.* I have also used it in Secondary and Tertiary Syphilis [one terrible case of eight years standing,] in which it acted with surprising and satisfactory effect—making a quick and thorough cure. I have therefore, no hesitation in recommending it to Physicians and others, as the *most reliable Alterative now known.* Respectfully Yours, &c.,

A. B. NOBLES, M. D.

A Wonderful Cure of Scrofulous White Swelling.

I hereby certify that last September I was attacked with White Swelling of the left knee—and also with an enlargement of the glands of the neck—(one tumor reached a large size.) The swelling of the knee was enormous, and attended with the most excruciating pains. I was so reduced that I was confined to my room over three months. My leg was so completely drawn up that I could not bend it. I tried various remedies, and they failed to give any relief. I was in this condition when I commenctd taking Dr. Lawrence's Rosadalis. The swelling in both knee and neck began to subside before I took all of the first bottle. By the time I took the second bottle the swelling of the neck entirely disappeared, and that of the knee nearly so. After taking three bottles I found myself completely well—able to walk as well as ever, &c.,

Rosadalis Cures Carbuncles, Boils, Pimples, &c.

Certificate from an old and much respected citizen of Greene County, now a resident of Wilson N. C.

I hereby certify that during the Summer and fall of 1866, I was severily afflicted with *Carbuncles*, having as many as 14 *large Carbuncles* and 12 ordinary Boils. I suffered so much from them that I could not get out of the house half the time for several months. Being induced to try *Dr. Lawrence's Rosadalis, I was entirely cured by the use of one bottle* of that truly valuable medicine W. A. DARDEN. Sr.

Wilson, May 11, 1867.

Pourtsmouth, Va., Aug. 28, 1867

Capt. J. H. Baker—Sir : For the last seven or eight years, I have been severely afflicted with a very troublesome form of SALT RHEUM, from which I have never been able to obtain the slightest perceptible relief from any of the many remedies which I have at various times applied, until I chanced to try DR. LAWRENCE'S ROSADALIS. In less than one month I found myself almost entirely cured of my troublesome eruption.

Other members of my family have used it as a blood purifier, with the most gratifying results,

Truly I can say of all the medicines I have used before, none have been so beneficial in effects as the Rosadalis, and I would most cheefully recommend it to the public and to all suffering humanity.

Very Respectfully, Yours, &c.,
MRS. E. N. BOGGS,
Opposite the Crawford House.

Consumption in its Early Stages can be Cured!

Baltimore, Md., March 4th 1867.

Dear Dr. Lawrence—My daughter having been cured of a deeply seated disease of the lungs by your "Rosadalis," I feel it my duty to make the fact known to you for the benefit of others. She suffered nearly two years with a hard cough, which troubled her day and night; at last the emaciated form, glassy eyes, night sweats, together with the cough told too plainly that it was *Consumption*, beyond question, eating at her vitals. Our Physicians brought no relief. She was advised to try your Rosadalis, as a tonic—which she did, imagine my surprise and gratification when I found her appetite returning. *Slowly* she regained her strength, her cough and night-sweats gradually ceased, and she is now after taking five bottles of your medicine, apparently as well as ever.

Yours Respectfully,
MRS. E. ANN SMITH

Major JOHN W. DUNHAM, one of the Editors of the Wilson NORTH CAROLINIAN, says in the issue of the 20th April, 1867:

"I believe, FROM PERSONAL EXPERIENCE, that the Rosadalis is the finest tonic ever prepared."

Wilson, N. C., Sept. 15, 1867.

Dr. Lawrence—Sir:---In 1862, my son, now aged five years, was vaccinated with what proved to be impure matter, which completely destroyed his health. He has been afflicted with inveterate and extremely troublesome *eruption of the skin*, sometimes breaking out in sores, &c. ROSADALIS was prescribed by my family physician, Dr. A. D. Moore. After taking it a few weeks my son became and remains entirely well.

Yours Truly,
J. B. DANIEL.

Rosadalis will Cure the Worst Cases of Scrofula.

READ THE STATEMENT BELOW AND DESPAIR NOT!

Wilson County, Sept. 10, 1867.

Dr. J. J. Lawrence---Dear Sir :---My youngest daughter, aged five years. has been dreadfully afflicted with Scrofula nearly all her life. I tried a great many physicians, but without relieving her much; in fact most of them said there was no hope of cure. During the last Spring she was worse than ever, her body and limbs being covered with sores and blotches---with face and eyes very much swollen. Whilst in this condition, I was advised by Dr. L. A. Smith, to try your ROSADALIS. I at once procured three bottles, and commenced giving it to her. *The effect was magical. In less than a month*, to my great astonishment, *she was entirely well.* I am, sir,

Yours, with respect and gratitude,
W. W. CURNETT

[From the Goldsboro' Daily News.]

TO THE AFFLICTED.

Dr. J. J. Lawrence, an experienced Pharmaceutist and Chemist, advertises in this day's paper his valuable and efficient remedy, Rosadalis, for the cure of Scrofula, &c. This medicine is highly recommended and daily prescribed by Physicians. The Dr. has in his possession many testimonials from distinguished Physicians, Clergymen, Editors, &c., recommending it as a great blood purifier.

[From the Wilson Carolinian, of June 5, 1867.]

We present on our fourth page to-day, an extended advertisement of Dr. Lawrence's Rosadalis, a blood medicine prepared by a Southern Physician, and which, though recently introduced to the public, has, nevertheless, attained a wide-spread popularity.

The reader is familiar with the character of patent medicines generally, and while the appearance of this notice in these columns is a sufficient guarantee that the medicine is what is claimed for it in every respect, yet should we pass it by without some notice, the public might be led to infer that we had departed from that high standard which we claim for the North Carolinian, as a reliable and responsible advertising medium.

We have had opportunities of testing and observing the properties of the Rosadalis, and we do not, on our own knowledge, hesitate to recommend it.

DR. LAWRENCE is in possession of testimonials from reliable and well known persons who have used his remedy, and the satisfaction it has almost invariably given, should recommend it to the afflicted everywhere.

In thus giving it the benefit of a place in our columns we endorse it, and, in so doing, we feel that we confer a benefit upon our fellow-man, which is the prime motive to all our actions. We ask from all a careful perusal of the advertisement.

BUREAU OF CIVIL AFFAIRS,
CITADEL, CHARLESTON, S. C., December 26, 1867.

The foregoing is a correct statement from the Returns of the election held on the 19th and 20th days of November last, in and for the State of North Carolina, made to these Headquarters by the canvassers, and from the returns made by the Boards of Registration for the several registration precincts of said State, it appears thereby that a majority of the votes given at the said election were "FOR A CONVENTION;" and, also, that at such election a majority of all the registered voters of said State voted on the question of holding said Convention.

A. J. WILLARD,
Chief of Bureau of Civil Affairs.

GENERAL REMARKS.

Revenue Stamps may be used indiscriminataly upon any of the matters or things enumerated in Schedule B, except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made, may stamp it before it is used; and if used after the 30th of July, 1864, and used without a a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, petition, &c., in which case these, as the original process, severally require stamps.

Writs of scira facias are subject to stamp duty as original processes.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promisory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say for every sum of five hundred dollars, or any fractional part thereof, of the amount seeured by the mortgage, at time of its assignment there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable under the law, may be affixed and cancelled by one of the parties.

FORTS, &c.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate or interest conveyed.

No stamp is required on any warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.

To Ascertain the Length of the Day and Night.

At aby time of the year add twelve hours to the time of the Sun's setting, and from the sum subtract the time of rising, for the length of the day. Subtract the time of setting from twelve hours, and to the remainder add the time of rising next morning, for the length of the night. These rules are equally true for apparent time.

The State owns three-fourths of the North Carolina Railroad, and three-fourths of the Atlantic and North Carolina Railroad. This is the

STATE LINE

To its own Seaports, and on its own Road. A six per cent. dividend on this line will save the people from taxation $295,000 per annum. This is the Line to encourage. You get dispatch, safety, but one handling, and less Railroad transportation than by any other line. Three-fourths of the profits made on this line go directly into the State Treasury, and if encouraged, you will soon be relieved from heavy taxation at least two hundred and ninety-five thousand dollars.

The Railroads composing the NORTH CAROLINA GRAND TRUNK RAILWAY LINE have recently agreed to unite in a
